Verse:

C G Am G
Come up on different streets, they both were streets of shame
C G Am F
Both dirty both mean, yes and the dream was just the same
G F G C
And I dreamed your dream for you and now your dream is real.
F G
How can you look at me as if I was just another one of your deals
C G Am G
Well you can fall for chains of silver, you can fall for chains of gold.
C G Am F
You can fall for pretty strangers and the promises they hold
G F G C
You promised me everything, you promised me thick and thin yeah
F G
Now you just say oh Romeo yeah, you know I used to have a scene with
him.

Chorus II:

C G Am F
Juliet when we made love you used to cry
C G Am F
You said I love you like the stars above I'll love you till I die
C G Am F
And there's a place for us, you know the movie song
Dm F G C
When you gonna realise it was just that the time was wrong Juliet?
